Four unique features of this reading plan: This reading plan is a "chrono-harmonic-ecclesiocentric reading plan": (1) a chronological reading plan (more-or-less) that (2) switches back and forth between OT and NT chronology so that the reader isn't only in the NT at the end of the year. It also (3) takes a Harmony of the Gospels approach with divisions built around different periods of Jesus' life and ministry, and (4) provides special focus days on Sundays so the reader can give attention to the sermon text for those days.
